Research interests

My research focuses on the quality of financial reporting and how it is influenced by auditors and audit committees. I am also interested in financial reporting issues in banks. On a broader level, my research concerns the relations between corporate governance and financial reporting.

PhD Supervision

I am looking for good applications for PhD under my supervision. A successful candidate should be able to demonstrate strong academic background, high level of numeracy and original thinking.

Employment

Professor of Accounting

School of Accounting and Finance
Faculty of Social Sciences and Law
United Kingdom
1 Oct 2021 → present
